

McRockers get revenge

McROCKERS 22, DEATH CAMPERS 18

1990

In a Fantasy Bowl rematch, the McRockers knocked off the Death Campers. Up until 1990, four teams (three division winners, one wild card) made the playoffs. This was the first year that eight teams made the playoffs, due to the 17-week NFL schedule, and, ironically, McRockers were the 8th seed in the playoffs. In fact, all four teams that made it to the money round of the playoffs were wild cards — all three division winners lost in the first round.
