You can select your players from any of the playoff teams. **You may not select more than 3 players from any one team.** Special team's TD's count towards the team and the player if he is on your roster. Points are accumulated throughout the entire playoffs. The team that accumulates the most points wins. **PLEASE DOUBLE CHECK YOUR LINE UP!**

*(If you have more than three players on your roster from one team and I do not catch it until the game is played, you will lose the player who scored the least points for the rest of the playoffs).*
